Production BASICS

PRODUCT SPECIFIER

Ergonomic Workstations & Accessories

Production BASICS

WORKSTATIONS THAT INSPIRE PRODUCTIVITY.

We'll help you find the right ergonomic workstations for your

company. You'll receive innovative solutions that fit your exact

specifications for performance, productivity and aesthetics. You'll

also get the easiest to assemble, longest lasting, American-made

workstations on the market. Then, you can get back to business.

Quad Station

PedSys Work Bench, Left-Side Storage

C-Leg Stations with Add-on Corner

Since 1995, **PRODUCTION BASICS** has manufactured **ERGONOMIC WORKSTATIONS** and accessories that **INSPIRE PRODUCTIVITY.** We offer a variety of products that are designed to bring **EFFICIENCY, PRODUCTIVITY** & **PROFESSIONALISM** to your manufacturing, material handling or laboratory environment.

RTW Table with Riser Shelf

**PedSys Work Bench,
Left and Right Side Storage**

Electric Station, Dual Leg

Side-by-Side C-Leg Station

Supply Cart

Workstations are not just **TABLES**, they are **TOOLS FOR PRODUCTIVITY**. An **ORGANIZED,** ergonomic **WORKSPACE** for your operators means a happier, **MORE FOCUSED** employee. It means **GREATER JOB SATISFACTION** and fewer workers' compensation claims in a **GREAT LOOKING FACILITY** that operates at **PEAK EFFICIENCY.**

C-Leg Series Workstation

PedSys Work Bench, Left Side Storage

RTW Table with Casters

PedSys Work Bench, Right Side Storage

Production Basics workstations **START WITH SMART DESIGNS**. We combine **CLEAN LINES** and **SOLID COMPONENTS** to form sturdy, simple workstations that are **BUILT TO LAST**. Using the Basic Bolt, Basic Nut and an allen wrench, you can **BUILD YOUR WORKSTATION** in minutes. You are able to **ADJUST** your workstation **PRECISELY**, a major benefit over common slotted units.

It's time to **DELIVER** some **INSPIRATION** to you. We invite you inside our Product Specifier, where you will **FIND THE WORKSTATIONS** that are **RIGHT FOR YOU**.

PedSys Work Bench, Right Side Storage

When operators have their full worksurface to perform daily tasks, productivity and ergonomics follow. Using Production Basics accessories in the vertical space above the work area will provide maximum efficiency. Our complete line of accessories provides a home for the tools and supplies operators and technicians use every day.

- Accessory color is Black.

- See accessory "Description" to determine if product comes in another color.

- Most accessories are constructed of 11-20 gauge steel.

- **C-Leg Series** workstations are designed with an integrated back frame to support accessories. No additional Uprights are neccessary.

- **RTW Tables** support above-surface accessories with Uprights. See page 58 to determine which Uprights match your work bench.

- **Easy-Lift Series** Workstations support above-surface accessories with Uprights. See page 58 to determine which Uprights match your work bench.

- **PedSys Series Work Benches** Add accessories to your with Uprights. See page 58 to determine which Uprights match your work bench.

- To determine which accessories match to specific workstation styles, see our Compatibility Chart on page 57.

- Workstations accommodate up to 24" of drawer or cabinet space. Under-surface accessories and workstations outfitted with casters may reduce this range.

- Individual drawer weight capacities are 35 lbs per drawer.

- Drawer/Cabinet Lock Sets not compatible with 3" drawers.

- Drawer/Cabinet Lock Sets are sold separately.

- Other accessory colors available upon request. Call to discuss your options.

- For accessories not listed in this section, review the Custom Options section of this Product Specifier (pages 77-83) or call Production Basics.

Minimum Order
$100

Special Orders/Custom Options
All items listed in this price list are standard. Any variation to these standard items, including frame or laminate color, must be special ordered. Please consult with us about your requirements. Returns of special order/custom products are not accepted.

Orders and Cancellations
All orders must be placed through a Production Basics authorized distributor. Verbal purchase orders are not accepted. Products ship knocked-down (KD) by truck. FOB Billerica, MA. Changes and cancellations may not be accepted after an order is placed with Production Basics. For assistance with your workstation choices prior to placing an order, call Production Basics or your authorized distributor.

Product Improvements
Production Basics reserves the right to change the details of design, material and finish in any way that will not reduce function or performance.

Discontinued Products
Product specifications featured in this Product Specifier are available at the time of printing. Production Basics reserves the right to discontinue products at any time for any reason.

Returns
NO MERCHANDISE WILL BE ACCEPTED FOR RETURN WITHOUT PRODUCTION BASICS' PRIOR APPROVAL. Return Merchandise Authorizations (RMA) must be requested by the customer within ten (10) days of receipt of merchandise. Returned goods must be sent freight prepaid within 30 days of the issuance of an RMA. Returns will be subject to a 25% restocking charge. RMAs are NOT issued for custom products.

Shortages and Damages
Upon receipt of product, check against bill of lading for correct number of pieces and inspect for obvious damage before signing delivery receipt. Shortages, errors and damage must be reported to Production Basics within 24 hours of receipt of merchandise. Any damage claims must be filed with carriers immediately upon receipt. Do not destroy packaging materials; they must be available for inspection by the carrier. Production Basics will cooperate with the purchaser on filed claims.

Warranty
This warranty covers any defect in material or workmanship in mechanical or structural parts given normal use and care. With the exceptions noted, this warranty lasts ten (10) years from the original date of purchase for all parts and components manufactured by Production Basics. Production Basics, Inc. will replace or repair the item without any cost for parts within the time frame noted from the original date of purchase:
LED Bulbs- Warranty not covered by Production Basics. Contact bulb manufacturer within five (5) days of defect identification.
Easy Lift Series- One (1) year.
All other Products- Ten (10) years.

What is Not Covered
This warranty does not cover damage by misuse, accident, unauthorized repair or modification. Also, consequential and incidental damages (including but not limited to: lost profits, lost sales and injury to property) are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty is the exclusive express warranty and any representations or promises inconsistent with, or in addition to, this warranty are unauthorized and shall not be binding on Production Basics, Inc. Finally, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION FOR A PERIOD OF TEN YEARS FROM THE DATE OF PURCHASE BY THE ORIGINAL CONSUMER. Some states do not allow limitations on how long an implied warranty lasts so the above limitation or exclusion may not apply to you.
Service
To obtain repair or replacement under this warranty, you must contact Production Basics, Inc., informing us of the defect.
